COMPLIANCE NOTICE PPWR
(Packaging and Packaging Waste Regulation)

Bropack solution s.r.o.
Mezi Stromy 497
CZ 252 25 Jinočany
IČO: 03085066

hereby declares that the packaging and packaging solutions placed on the market are designed in accordance with the principles of the upcoming Regulation of the European Parliament and of the Council on Packaging and Packaging Waste (PPWR),

- meet the requirements for minimizing the weight and volume of packaging while maintaining its functionality and product protection,
- are developed with an emphasis on their recyclability and reuse,
- use materials that meet the requirements for safety, health protection and the environment,
- are continuously assessed with the aim of optimizing the material composition and reducing the environmental impact,
- reflect the current legislative development in the field of PPWR and related European Union regulations.

Bropack solution s.r.o. also undertakes to:

- monitor the final version of the PPWR and its implementation requirements,
- ensure the gradual introduction of all packaging solutions into full compliance with this regulation within the specified deadlines,
- provide customers with transparent information about the material composition and environmental properties of packaging.

This statement is issued based on currently available legislative information and internal quality management processes.
